

## Anleitung: OSF-Account mit der Universität Göttingen verlinken

1. Auf der Startseite des OSF (<https://osf.io/>) auf "Sign in" klicken.
2. Dann auf "Login through your Institution" klicken.

The image shows the OSF login page. At the top is the OSF logo and the text "Open Science Framework". Below that is the instruction "Sign in with your OSF Account to continue". There is a form with fields for "Email:" and "Password:". A green "SIGN IN" button is below the fields. Below the button are links for "Stay Signed In" and "Forgot Your Password?". At the bottom of the form, there is a "Sign in with ORCID" button and a "Login through Your Institution" button, which is circled in red. A "Back to OSF" link is also present. At the very bottom, there is a "Create Account" link.

3. Auf der nächsten Seite "University of Göttingen" auswählen

The image shows the OSF Institutions page. At the top is the OSF logo and the text "OSF Institutions". Below that is the instruction "If your institution has partnered with the Open Science Framework, please select its name below and sign in with your institutional credentials." There is a dropdown menu with "University of Göttingen" selected. A green "SIGN IN" button is below the dropdown. Below the button are links for "Non-institution Login" and "Back to OSF". At the very bottom, there is a "Create Account" link.

4. Auf der Seite im Uni-Göttingen-Look mit der Email und dem Passwort Eures GWDG-Accounts einloggen.

The image shows the Uni-Göttingen Single-Sign-On page. At the top is the logo of Georg-August-Universität Göttingen and the text "Shibboleth Identity Provider". Below that is a large image of the university building. In the foreground, there is a "Single-Sign-On" box with the text "For Students and Employees". There are fields for "Email" and "Password", and a "Sign On" button. Below the box, there is a link to "Log in to 'Center for Open Science - Open Science Framework'". At the bottom, there is a paragraph of text about the center's mission and a "GWGD" logo.

5. Voila, FERTIG!!!
